

## Fixed Length Extension Column - 1'

EXT101

SKU: 25009    UPC: 735029000000

Designed to blend in and work with almost any environment, Peerless-AV's line of EXT fixed columns range in length from 6" up to 1', with many lengths in between. The range of columns makes it easy to find the proper column length for your desired application. Whether it's for an office setting, or you need it mounted on a tall cathedral ceiling, the fixed column will support up to 5 pounds. The flexibility and strength of these columns make them ideal for exhibits and retail or digital signage applications.

### Features

- Cable management access provided at one end of column
- Lightweight aluminum construction for ease of installation and lower freight cost
- EXT model extension column lengths measure 1" (25mm) longer than stated drop to provide finished drop length for various mounts
- 1-1/2" 11.5 NPT threaded on both ends. Notched for use with screw to provide safety and security.
- Agion® antimicrobial\* finish assists in controlling the spread of infections
