

EZEX44 Connector (Jar of 100)

202044 J

SKU: 16284 UPC: 849160000000

With an integrated Hi-Lo stagger design, the ezEX44 RJ45 Connector from Platinum Tools isolates each conductor for improved performance. With a one piece/pass through design this connector has no bars or liners. Additionally, the connector is typically used with Cat6 cables and comes compliant with Cat5e, Cat6, and Cat6A cable standards.

Features

- Hi-lo stagger isolates each conductor for higher performance
- Simple one piece/pass through design, no bars or liners
- Insulation Diameter (Conductor) Size Range: 0.039" to 0.044" / 1.0 to 1.12 mm
- Max Outer Diameter: 0.290" (7.36 mm)
- Typically used with Cat6
- Compliant with Cat5e, Cat6, and Cat6A cables
- Solid or stranded 24-22 AWG
- RoHS 2, UL & FCC compliant

Specifications: Compatibility Typically used with Cat6 cables Compliant with Cat5e, Cat6, and Cat6a cables Diameter Max. Outer Diameter: 0.290" / 7.37 mm Insulation Diameter (Conductor) Size Range: 0.039 to 0.044" / 1.00 to 1.12 mm AWG Solid or stranded 24-22 Compliance RoHS 2, UL, and FCC compliant Package Weight 0.435 lb Box Dimensions (LxWxH) 3.6 x 3.1 x 3.1"
