

16-Channel Embedded NVR

DS-9516NI-S

SKU: 16992

The 6TB DS-9516NI-S 16-Channel Embedded NVR from Hikvision records at up to 5MP at 720p resolution. It features 8 SATA interfaces and supports third-party network cameras. The NVR provides alarm input/outputs, an RS-232 interface for parameter configuration, maintenance, and transparent channel, an RS-485 interface for PTZ control, and an RS-485 keyboard interface for keyboard control.

Features

- Supports Hikvision and third party IP cameras for network storage
- Recording storage configurable for each channel
- Scheduled and events recording configurable for each camera
- Search of recorded files by event type
- HDD management in groups
