Medium Pivoting TV Wall Mount for 37"-60" Panels

PS200

SKU: 32016 UPC: 800153000000

The PS200 is a single stud articulating mount designed to mount most flat-panel TVs from 26 to 60. It will hold TVs weighing up to 88 pounds, and offers extension, tilt and swivel capabilities to provide you with a wide range of viewing positions, yet sit close to the wall when pushed back. Solid steel construction, attractive detailing and a durable powder-coated finish make this mount a great addition to your home or office. An integrated cable management system allows you to route your cables quickly and easily and simple covers finish off the look! It will hold TVs weighing up to 88 pounds, and offers extension, tilt and swivel capabilities to provide you with a wide range of viewing positions, yet sit close to the wall when pushed back. With its solid steel construction, the PS200 is designed to hold up to 88 pounds. The PS200 extends 13.8 from the wall to give you a variety of viewing options. The PS200 is made of solid steel, with a durable powder-coated finish giving you a sophisticated look and feel. With 12° of forwarding tilt and 2° of backward tilt, the PS200 makes it easy to angle your TV just the way you want it. The extension arm allows you to swivel the TV left or right by 90° or more depending on TV size. When pushed back against the wall, note that the center of the TV plate is offset approximately 13 from the stud center (left or right). An integrated cable management system allows you to route your power and video cables neatly between the TV and the wall. When pushed back into place, your TV sits less than 2 from the wall. Because every installation is unique, PS200's are carefully packaged with all the lag bolts, anchors, mounting bolts, washers and spacers that you could need. Everything is labeled with clear instructions that correspond with the manuals in order to simplify your installation.
