Peerless-AV's SEAMLESS Kitted Series Flat dvLED Mounting System is designed exclusively for Absen's Direct View LED Displays (Acclaim, Acclaim Plus, Acclaim Pro and Icon), offering slim, space-saving, and aesthetically appealing designs for multiple configurations. With integrated cable management, easy-hang hardware, and a lightweight aluminum frame, integrators can quickly and easily build the perfect video wall.

Peerless-AV® also offers start to finish support through the SEAMLESS dvLED Video Wall Integration Program. The Peerless-AV dvLED Solutions Team is there every step of the way to ensure every customer receives SEAMLESS product support and service.

Features

- The lightweight aluminum frame is easy to install and minimizes the wall load
- Predetermined adaptor rail locations speed up assembly and minimize errors allowing for quick assembly
- Modular design offers unlimited video wall display configurations
- Tight tolerances and wall plate spacers assure the cabinets are properly positioned
- Overcome installation irregularities to assure the dvLED pixels are aligned with the height adjustment feature
- The entire mount creates one flat plane, regardless of wall imperfections with the depth adjustment feature
