Large Tilt Wall Mount for 32"-60" Panels

KT3260

SKU: 31982 UPC: 800152000000

The KT3260 is a tilting TV wall mount wide enough to fit even custom 24 stud centers. While most construction uses 16 stud centers, there are many applications where 24 centers are needed the KT3260 wall plate is wide enough to fit both. With its low-profile design, range of VESA patterns, and flexible tilting mechanism, this mount is a great fit for TVs between 32 and 60. It's also built with adjustable quick-release cords making it easy to remove your TV from the wall and access cables. The KT3260 from Kanto is a flat-panel TV Wall Mount wide enough to fit even custom 24 stud centers. FITS VESA SIZES TO 600 x 400. The KT3260 accommodates a range of VESA sizes from 100 x 100 to 600 x 400. Once the arms are mounted to your TV, adjust the length of the quick release tabs. Always within reach, the quick-release tabs extend below the mount and offer a quick and easy way to detach your TV from the mount and remove it from the wall. This makes it easy to install or remove cables at the back of your TV. The effortless tilt mechanism allows you to tilt your TV 12° forward with the touch of a finger. Tighten the tilt nuts to secure your preferred viewing angle. The tilt arms click into place when the TV is vertical.
