Large Articulating Corner Mount for 37" to 70" Panels

PDC650

SKU: 32002 UPC: 800153000000

The Kanto PDC650 corner TV wall mount is specifically designed for inner and outer corner installations. Its two independent wall plates can be mounted to adjacent walls, allowing TVs up to 125 pounds to be safely positioned within a corner. Alternatively, turning the wall plates inwards allows for mounting to an outer edge, column or pillar. Depending on screen size and the distance between the wall plates, the articulating arms offer up to 40° of swivel in either direction. Further improve line-of-sight and reduce glare by tilting your TV 15° forward or 3° backward. The PDC650 Kanto corner TV mount also includes cable management clips and wall plate covers to ensure a professional looking setup.

Features

- Fits most flat panel TVs from 37" to 70"
- Supports TVs up to 125 lb (57 kg)
- Accommodates VESA sizes from 100x100 to 600x400
