

Super IR Receiver with Extension

280721E

SKU: 18477 UPC: 741835000000

VANCO SUPER IR ACCESSORIES-RECEIVER 280721E. Vanco 280721E Super IR Receiver Adapter Cable that extends IR signals more than 100m or 328ft.

With more than 50 years in the electronics accessories industry, Vanco has its origin as a provider of high quality audio, video, mobile, and CB accessories. Products were delivered by the company 'Van' directly to the distributor and dealer locations throughout the Midwestern United States; thus the name Vanco. Today, although Vanco no longer uses the regional distribution 'Van' concept, Vanco remains passionate about the customer, demanding high quality and innovative product development combined with impeccable customer service. Vanco's distributor and retailer base has grown to encompass the United States and Canada with service multiple channels of distribution; including the low voltage distribution, networking and home theater markets.
