

6 Outlet Heavy Duty Power Strip - 3'

PS09S

SKU: 4100 UPC: 602846706094

Experience expanded power with a set of two Uniview 6-Outlet Power Strips. Featuring six grounded outlets, this extension cord transforms your regular outlet into a versatile, efficient powering station. The dynamic 3ft. range of this power strip makes it a must-have when you need power and protection from a distance. This hard usage service cord is constructed of heavy-duty cable housed in a durable PVC insulation and jacket. The integrated circuit breaker with reset switch is specifically designed to cut off the flow of electricity to your unit should it surpass the maximum amperage threshold, assuring that your unit is safe from overheating and igniting. The included keyhole slots on this extension cord make it a breeze to mount to a wall, desk, workbench, or counter. No more fumbling with your power strip create a permanent plug-in for your various electronics or remove your unit for use during the holidays or special occasions to power your lighting displays or decorations. Get the most from your outlet with the Uniview 6-Outlet Power Strip.
