Articulating Arm Wall Mount for 37" -55" Displays

SA752PU

SKU: 19491 UPC: 735029000000

The SmartMount® Articulating Wall Arm series offers the most versatile installation features and mounting options. The I-Shaped Adaptor plate's innovative design helps avoid blocking connections on back of display. Vertical adjustment ability allows for post installation leveling, making it easier than ever to find the perfect display position. With SA752PU, extend the display up to 26.47" (672mm) or fully-retract it to just 2.97" (75mm) from the wall for the perfect viewing position. The display can now simply be installed by a single person with the Hook-and-Hang system. One-Touch tilt technology offers +15°/-5° vertical tilt movement for the ideal viewing angle. Integrated cable management protects, contains and conceals cables for a clean installation.

Features

- Universal mount accommodates 200 x 100 to 600 x 400mm VESA® mounting patterns
- Retracts to hold display just 2.97" (75mm) from the wall
- $\pm 90^\circ$ of pivot allows for perfect display positioning
- Easy leveling $\pm 5^\circ$ after display installation
- Quick and easy, Hook-and-Hang one-person installation
- Landscape or portrait mounting options increases display versatility
- Single stud wall plate design increases electrical and cable management options
- Includes all necessary wall and display attachment hardware
- Design is UL listed and tested to four times the stated load capacity
