Single Gang 4-Port Decora Wallplate - White

K3477

SKU: 3004

Karbon A/V 4-Port Keystone Wallplate€¦

Single-gang flush mount wallplates offer field-configurable flexibility in an attractive single-piece housing. A choice of 1, 2, 3, 4 or 6 ports allows for a variety of configurations and future expansion if needed. The wallplates are fully compatible with all QuickPort connectors.

Port and station identification can be handled in a number of ways. Match the modules to the plate for a sleek look, or use different colors for port ID. Port designation labels are available for identifying different networks or port assignments for the wallplates.

Features

- 4-Port Multimedia Wallplate
- Color-matched wallplate screws
- Supports Keystone Inserts, with most insert combinations compatible
- Outlets mount in Karbon A/V's Installation Brackets or low voltage mud rings
