

Side Mount Magnet HPH J-Hooks

HPH32MH-10

SKU: 30305 UPC: 849160000000

Organizing and managing low voltage cables being used in temporary applications is easy, safe and quick to install with Platinum Tools magnetic HPH32MH-10 J-hooks. The super-strong rare earth magnets hold fast (always test holding force), and the HPH J-hooks provide a wide bend radius to protect cables and a convenient built-in snap lock to keep cables in place. They are a great solution for all your temporary category and coax cable installations.
