

## Universal Ultra Slim Articulating Wall Mount for 42"-90" Displays

SUA771PU

SKU: 19494    UPC: 735029000000

One of the thinnest wall arm mounts on the market, the Peerless-AV® DesignerSeries Universal Ultra Slim Articulating Wall Mount is designed exclusively for ultra-thin displays. Featuring a dual-arm construction, the SUA771PU is robust enough to hold larger displays firmly in any position landscape or portrait while still offering an ultra-low profile. An innovative I-shaped adaptor plate makes it easy to access the back of the display, keeping hardware hidden, and features internal cable management, providing a clean, professional look that transitions smoothly from the wall to the display. With a gloss black finish, the SUA771PU matches any Dacor.

### Features

- One-Touch tilt mechanism allows adjustment of +15/-5° without the use of tools
- Dual-arm design enhances the stability of the articulating motion
- Universal mount fits displays with mounting patterns 200 x 100 to 800 x 400mm
