VGA + 3.5mm Audio Jack Decor Wall Plate

K-1271ST

SKU: 2261

Feed-through insert with HD15 female to HD15 female coupler plus 3.5mm jacks for stereo audio! Add the finishing touch to your home theater or clean up the array of computer cables in your office. This insert is stamped from 20 gauge steel and painted to match your room decor. Use it in standard electrical boxes or mud rings, and with standard decorative wall plates for easy installation. HD15 female DB-style feed-through connectors provide a secure connection for VGA cables. The 3.5mm jack on the front connects by a 3in pigtail to another jack for easier connection of your audio cable.

Features

- Gender Changer, HD D-Sub 15-pin (Female / Female)
- Audio: Frequency response: 0.1 dB, from 20 Hz to 20K Hz
