

1U Rear Cable Manager for PP3 Series

CM-1U-ML-PP3

SKU: 25145

HYPERLINE METAL REAR CABLE MANAGER 1U FOR PP3 SERIES PATCH PANEL CM-1U-ML-PP3. The Management Panel allows for cables to be routed away from the patch panel allowing for a sweeping bend and thus minimizing any crosstalk and return loss issues.

Features

- Suitable for modular patch panels and unloaded snap in patch panels
- Rear cable manager allows for cables to be securely tied down
- 1U
