

## 12V 7Ah Sealed Lead Acid Battery

PS-1270 F1

SKU: 119143    UPC: 1200702602

The PS-1270 is part of our PS range of sealed lead acid batteries (often referred to as VRLA) which have been specifically designed for general purpose and standby applications. The 12V 7.00Ah battery offers excellent performance in a wide range of applications including security and fire systems, medical devices, emergency lighting and UPS systems. All Power Sonic general purpose series batteries are Absorbent Glass Mat (AGM) technology, spill proof construction and are designed for a 5 year lifetime. Please see PDF technical specification sheet for more information on this battery.

### Features

- General purpose VRLA rechargeable battery
- Sealed lead acid Absorbent Glass Mat (AGM) technology for superior performance
- Valve regulated maintenance free spill proof construction
- F1 terminals
