

24-Port Blank Keystone Patch Panel, 1U

720847

SKU: 62246 UPC: 766624000000

With this panel, IT professionals have the flexibility to tailor their network infrastructure precisely to the organization's needs. Whether it's configuring wiring connections for various equipment or expanding port capacity, this patch panel facilitates seamless network evolution.

Featuring pre-numbered ports, identifying devices is straightforward, enhancing efficiency during installation and maintenance. Additionally, a removable cable-management bar ensures tidy cable organization, minimizing clutter and optimizing airflow within the rack.

Engineered specifically for Unshielded cable types, this patch panel adheres to industry standards, ensuring compatibility and reliability. Furthermore, its 19"-rack compliance simplifies integration into existing rack setups, making installation hassle-free for seasoned network technicians.

Features

- Rackmount blank patch panel with pre-numbered ports
- 1U rackmount space
- Designed for Unshielded use
- Removable cable-management bar
- Designed to support the distribution of voice, data, audio, video and fiber optic needs for commercial or residential applications
- Ideal for use in high-density applications with more connectivity in less space
- Designed to fit all standard 19" racks and cabinets
