

RX20-HF Recoil Stabilizer, Single

Z860 1520 00

SKU: 156785 UPC: 676101000000

RX20-HF from Primacoustic is a speaker decoupling device that helps improve monitor speaker performance. Although there are several manufacturers providing a similar kind of solution, the RX20-HF is different in that it also takes into account what is known as speaker recoil.

Features

- Speaker Decoupler
- Horizontal-Fire Profile
- For Speakers up to 144 lbs (65kg)
