

## TVI To HDMI Converter

TVIHD

SKU: 118189    UPC: 30519025560

Speco TVIHD TVI to HDMI Converter, your ultimate solution for seamless video conversion. This versatile device effortlessly transforms HD-TVI, AHD, HDCVI, NTSC, PAL, and 960H signals into HDMI, VGA, or Composite Video formats, ensuring compatibility with a wide range of displays. With support for resolutions up to 1080p at 30Hz and 720p at various frame rates, you can enjoy high-quality visuals. The built-in loopout feature allows for easy monitoring, while the LED indicators provide clear feedback on your selections. Plus, the on-screen display simplifies input and output settings.
