

Tradesman Pro XL Tech Tool Bag Backpack, 28 Pockets

62805BPTECH

SKU: 151583 UPC: 92644628054

Klein Tools' Tradesman Pro™ XL Tech Backpack is a seriously tough backpack specially designed to keep your devices protected and carry the essentials you need to get you through your day. This backpack has two main compartments; the front for tools and meters and the back has a protective padded pocket for laptops and tablets up to 17.3-Inch (screen size diagonal) wide and up to 1.5-Inch high. The innovative curved, fully-molded hard bottom design provides maximum comfort while keeping your devices and tools safe from the elements. The front pocket of the backpack allows for easy access to frequently used small tools or devices, while the large interior has soft neoprene pockets for meters and a netted pocket for cords and cables. The USB-C cord and exterior port make it easy to charge your devices at any jobsite.

Features

- Tech Backpack with two main compartments: one designed for tools and meters at the front, and another at the back for laptops or tablets
- 28-Pocket Tool Bag Backpack to keep tools, meters and other tech devices organized and safe
