

## 8-in-1 Insulated Precision Screwdriver Set w/ Case

32584INSR

SKU: 151585

Klein Tools insulated screwdrivers are designed for precision work, and feature interchangeable blade locks for optimum control. Made of the highest quality tempered steel, carefully heat-treated for maximum strength, and precision milled to fit screw openings securely. Rotating caps and Klein's exclusive Cushion-Grip™ handles offer outstanding comfort and control. Insulated barrel with 1000V insulation that includes two double-ended bits that exceed ANSI and ASTM standards.

### Features

- Precision Insulated Screwdriver Set with 1000V rated insulation featuring flip blades
- Includes #00 and #0 Phillips, 3/32-Inch and 1/8-Inch slotted, and T7H, T8H, T10H, and T15H tamperproof TORX® bits
- When combined, handle and blade have a 1000V insulated rating and meet or exceed ASTM F1505-2021
- Interchangeable blade locks securely into handle and allows for quick, easy changeouts
- Cushion-Grip™ handle for greater torque and comfort, spin cap for increased control
- Layer of orange impact and flame-resistant insulation protects from energized sources
- Heat treated precision machined tips for greater strength
