

7-in-1 Impact Flip Socket Set

32933

SKU: 152955

The 7-in-1 Impact Flip Socket Set provides 6 nut driver sizes plus a bit holding feature all within one compact tool. The versatility provided allows for convenient swapping between the common nut driving sizes and quickly attaches to an impact driver or our 1/4-Inch quick-connect handles (handles not included). Every component is impact-rated, making it an essential tool for the toughest driving applications.

Features

- Hex driver sizes include: 1/4, 5/16, 3/8, 7/16, 1/2, and 9/16-Inch
- Impact-rated sockets for the toughest driving applications
- Flip sockets enable quick access and convenience to common sizes
- Color coded hex sizes for easy identification
- Store sockets in any order and orientation on the shaft
- Bit holding design allows the 1/4-Inch socket size to drive hex fasteners and hold screwdriver bits
- Powerful magnet holds fasteners for easy one-handed driving
- Shallow socket depth optimized for hex head fasteners
