

Russound

6.5" Premium Performance In-Wall Loudspeaker

IW-630

SKU: 39447 UPC: 612935000000

The IW-630 is the perfect in-wall choice for using where sound matters most. The injection-molded polypropylene cone gives detailed bass response and the 1" pivoting silk tweeter can be aimed at your favorite listening spot. The integrated one-piece baffle / woofer basket adds enhanced rigidity and complements the deep bass sound. The IW-630 is acoustically matched to the in-ceiling speakers the IC-630 and the IC-830 so you can mix and match with these two speaker sizes as needed. It includes a +/- 3dB tweeter adjustment switch to allow you to adjust for the room's acoustic characteristics. In bright, reflective rooms with lots of hard surfaces, set the switch to -3dB to tone down the highs a bit. In a room filled with large, absorptive items like bulky furniture, thick carpet and curtains, set the switch to +3dB to compensate and reinforce the high frequencies as needed. The patented SwiftLock by Swarm technology allows for quick and easy tool-less installation with the simple press of a button at each of the three mounting dogs.

Features

- Enhanced frequency response and acoustic performance for the critical listening areas of the home
- Excellent for both music and TV/movie/home theater use
- Swiftlock tool-less quick and easy installation
- Integrated one-piece baffle / woofer basket design for enhanced rigidity and more efficient bass
- Paintable edgeless grilles blend seamlessly into any décor
- Powerful neodymium grille magnets for easy and secure attachment

- **Type:** Two-way in-wall
- **Shipping Dimensions (Pair):** H=10.39" (26.4 cm) x W=9.76" (24.8 cm) x L=14.41" (36.6 cm)
- **Shipping Weight (Pair):** 9.6 lbs
- **Cutout Dimensions:** H=11.75" (29.85 cm) x W=7.64" (19.4 cm)
- **Frequency Response:** 42 Hz - 25 kHz
- **Impedance:** 8 ohms
- **Magnet Structure:** 13 oz (0.383 kg)
- **Mounting Depth:** 3.63" (9.21 cm)
- **Overall Dimensions:** H=12.81" (32.54 cm) x W=8.71" (22.13 cm)
- **Recommended Power:** 5 - 110 watts
- **Sensitivity:** 90 dB @ 1w/1m
- **Tweeter:** 1" / (25 mm) Titanium Silk
- **Woofers:** 6.5" / (16.51 cm) Injection-Molded Polypropylene with vapor deposited Titanium Cone
