Curvebeam 600 Flex Rechargeable Headlamp

NEB-HLP-0021

SKU: 160058

NEBO Curvebeam 600 Flex rechargeable headlamp has center spot LEDs plus 180° wide flood lighting. Activate just spot or flood separately, or use both combined for maximum illumination. This lightweight headlamp has a soft headband liner making it extra comfortable to wear. It has a rear battery back that houses the included rechargeable battery. The Curvebeam 600 Flex provides broad balanced light and is perfect for walking, hiking and trail running.
