### 1-Gang Low-Voltage Bracket

SC100A

SKU: 101074    UPC: 3448116188

Here is the fastest installation choice where only Low-Voltage is required. Designed to fit a standard 1-Gang faceplate, this Low-Voltage bracket features an easy nail-on mounting or screw-in bracket, while a hard shell provides increased durability and no racking. The resi-rings accept 3/4 in., 1 in. and 1-1/4 in. resi-gard fittings.

#### Features

- Designed for the installation of low-voltage devices such as a cable television, data communications or telephone jacks
- PVC construction
- Bracket mounts on wood or steel studs
- Backless design accommodates the space and bend radius requirements of coaxial or data/communication cables
- UL Listed
- Breakaway vertical mounting flange allows the use of a low-voltage add-on bracket
