

Magnetic Stud Finder

MSF100

SKU: 160063 UPC: 92644694790

The Compact Magnetic Stud Finder detects metal studs and fasteners within wooden studs, using a powerful Rare-Earth magnet for fast, accurate stud location. It includes felt pads to safeguard drywall and plaster walls. Features such as the center top notch, bottom opening, and bubble vial offer precise marking and alignment. Its compact design makes storage and transport easy; withstanding drops up to 9.9-Foot (3 m). Overmolded housing ensures a comfortable grip.

Features

- Compact Magnetic Stud Finder accurately detects metal studs and fasteners within wooden studs
- Powerful Rare-Earth magnet for fast and precise stud location
- Includes felt pad backing to safeguard drywall and plaster walls
- Features center top notch, bottom opening, and bubble vial for precise marking and alignment
- Use multiple stud finders as reference points by placing them on the walls while working
- The compact, portable design fits easily in a pocket or can be secured with a carabiner for effortless transport and storage
- The ergonomically designed overmolded housing ensures a comfortable grip and is durable enough to withstand drops of up to 9.9-Foot (3 m)
