CAT5e Riser Cable, 24/4 Solid BC,  
Unshielded, UTP, CMR, Sunlight  
Resistant, 1000' - Green

50781105

SKU: 26959    UPC: 619172000000

Genesis 50781105 CAT5e Riser Cable, 24/4 Solid BC, Unshielded, UTP, CMR, Sunlight Resistant, 1000'. Genesis Series of Networking Cables are the main component of a communications system and a key determinant to its performance. Genesis Series Cable strictly adheres to quality manufacturing and exceeding the requirements set forth by TIA/EIA category requirements.

### Features

- Solid bare copper conductors
- Rated for riser and general purpose indoor installation
- Rated for sunlight (UV) resistance
- 1000 ft. (304.8 m) REELEX® pull box
- Green jacket
- Allows you to access all of the networked data, swiftly and securely
- Features Category 5e cable type to better accommodate your precise requirements with maximum productivity
- Power-sum Near End Crosstalk (PSNEXT) feature for better reliability and ensure maximum productivity
- Fully compatible with network devices
- Experience a simpler way to connect devices with the entire business network
