

24-port, Layer 3 switch with 2.5 GbE PoE+

USW-Enterprise-24-PoE

SKU: 147646 UPC: 810010073044

Enhance your business to support power-over-Ethernet devices, such as security cameras, VoIP phones, access points, and more, by adding the Switch Enterprise 24-Port Gigabit and 2.5G PoE+ Compliant Managed Switch from Ubiquiti to your network. This Layer 3 managed switch features twelve one-Gigabit Ethernet ports alongside twelve 2.5G ports—all of which are 802.3at PoE+ compliant with a total 400W power budget. There are also two 10G SFP+ ports available for high-speed fiber uplinks. Use the convenient 1.3" LCM color touchscreen to quickly configure, monitor, and troubleshoot your connections, or you can manage your switch from almost anywhere using the UniFi Network app, which also includes an augmented reality feature that provides you with a visual overview of your port connections.

Features

- (12) 2.5 GbE, (12) GbE; all PoE+ ports
- (2) 10G SFP+ ports
- 400W total PoE availability
- DC power backup-ready
- Layer 3 switching
