Lo-Flex Glow Fish Rod, 10'

50103

SKU: 152950

Klein Glow Fish Rods are the perfect solution for running wires through drop ceilings, attics, floors, walls and crawl spaces. This lo-flex rod is designed for maximum rigidity to push straight, long distances without bending. The Splinter Guard™ coating glows bright orange to quickly identify the right flex for the job and improves visibility in low-light applications. This 10-Foot rod includes a hook, bullet and an adapter that creates a smooth connection to add-on mid or hi-flex rods.

Features

- Lo-Flex Glow Rods provides ultimate rigidity for longer spanning, straight wire runs
- Glows bright orange for immediate identification of flexibility and improved visibility in low-light environments
- Protective Splinter Guard™ coating helps keep hands free of fiberglass splinters
- Durable stainless steel connectors reinforce connection between all Klein fish rods
- Made in the USA
- Includes adapter to connect lo flex rod with mid/hi flex rods; creating a smooth transition, eliminating shoulders that cause snagging during pulls; includes bullet nose and hook attachments
- (2) 1/4-Inch diameter x 5-Foot glow rods; assembles to full 10-Foot rod, perfect lo flexibility solution for wall runs
- Includes adapter to connect lo-flex rod with mid/hi-flex rods; creating a smooth transition, eliminating shoulders that cause snagging during pulls
- (2) 1/4-Inch (6 mm) diameter x 5-Foot (1.52 m) glow rods; assembles to full 10-Foot (3 m) rod, perfect low flexibility solution for wall runs
