

## Rugged Reader - Mullion Keypad

RDRMRK

SKU: 112154    UPC: 850016583970

Rugged readers are a great fit for indoor/outdoor applications and offers users the flexibility of using everyday proximity credentials or PIN numbers to gain access to secure areas. Easily add an extra layer of security with two-factor authentication on keypad readers, requiring users to present proximity credentials and enter a PIN number to gain access.
