

Double Hook Magnetic Tape Measure, 25'

9225

SKU: 41874 UPC: 92644692697

Klein Tools Tape Measures deliver performance and durability expected by professional tradespeople. Safeguarded by a thick and durable protective nylon-coating, the Tough Blade has a 16-Foot reach. Able to endure the toughest of jobsite conditions, this tool also features a strong magnetic double hook, easy-to-read bold lines, and a retraction brake.

Features

- Tape Measure with 16-Foot Reach (standout plus estimated extension of typical user) and a 13-Foot Standout
- Uncluttered, easy-to-read bold lines marked on blade every 1/8-Inch
- Heavy-duty, tough, durable nylon-coating protects blade printing and delivers longer blade life
- Retraction speed brake controls blade speed and protects fingers from touching blade
- Measurement scale printed on front and back sides of blade for versatility to address different types of measurements
- Double hook can secure tape to items such as studs, conduit, pipes, etc. on front or back side of blade to measure with either measurement scale
- Strong magnet on hook attaches to ferromagnetic objects such as steel studs, doors, panels, conduit, etc. for easy measuring
- The impact resistant housing is over-molded with a soft touch finish for excellent grip and stands up to jobsite demands
- Metal belt-clip securely holds tape measure to belts, pockets, or pouches
- Conduit Bending Table and 3-Phase Layout Guide printed on back-side of tape for convenience
- Integrated tether hole for use at height
- US Patent D803711
