

#10 Blue Triple-Grip Anchor Kit w/ Pan Head Combo Drive Screws

TG10K

SKU: 25133 UPC: 781003000000

The Multi-Grip Anchor is designed with two expandable wings that grip behind the drywall for maximum holding power. It features advanced cam action technology that expands to create additional pressure against the substrate, helping to provide more stability. These anchors are not recommended for use overhead or where holding values are critical. Suitable materials for use include drywall, block, brick, and masonry.

Features

- Three Points of Contact For Increased Holding Power
