

SealSmart II Compression Crimp Tool

16220C

SKU: 42393 UPC: 849160000000

Easily terminate F, RCA, and BNC compression-style connectors, without changing adapters, with the 16220C SealSmart II Compression Crimp Tool from Platinum Tools. The 16220C has a universal head for proper crimp stroke and is compatible with standard compression connectors. A versatile tool, it works with F, RCA, BNC, RG-59, RG-6, RG-6 Quad, mini RGB, and right-angle connectors. Once adjusted, the lock washer holds the head in place for proper crimp stroke.

Features

- Crimps Standard F, RCA, BNC Connectors
- For Right-Angle Compress Connector
- Also RG-59, RG-6, RG-6 Quad, & Mini RGB
- Lock Washer to set Proper Crimp Stroke
