## Advanced Full-Motion Premium TV Mount for 42" to 90" Panels

VLF728-B2

SKU: 112068    UPC: 793796000000

The Advanced Full-Motion Premium TV Mount is a next-generation mount that incorporates the TV into a home in an entirely modern way. Featuring a stylish brushed metal finish and slim profile, the Advanced Full-Motion Mount complements the sleek look of today's TVs. Beneath the mount's exterior is a precision-engineered, ultra-strong solid steel frame – ensuring the TV stays securely in place. Expertly engineered with FluidMotion™ design, the Advanced Full-Motion Mounts provide unparalleled smoothness – allowing for effortless extension and swivel. The mount's Steady Set™ functionality holds the TV in place – eliminating drift and unwanted TV movement. The simple and intuitive design guarantees a quick and hassle-free installation.

### Features

- Stylish brushed metal exterior seamlessly blends with TV and décor.
- FluidMotion™ design provides unparalleled smoothness. Effortlessly extend, tilt and swivel your TV regardless of its weight or thickness.
- Steady Set™ ensures your TV will stay exactly where you want it - no drifting or unwanted movement.
- Ultra-strong, solid steel frame provides maximum support ensuring your TV will stay securely in place.
- Places TV just 2.15" from the wall for a streamlined look that complements today's sleek TVs.
- Up to 15° of tilt and 57° of swivel left to right for a great picture no matter where you watch.
- Integrated cable management helps conceal unsightly power and HDMI cables.
- This mount is rigorously tested for safety and performance, UL-listed and features a 10-year limited warranty.
- Simple and intuitive design makes installation easy. In just 30 minutes, your TV will be mounted, and all hardware is included.
