

## LED Strobe Light w/ 32 LEDs, Adjustable Flash Speeds & Patterns - Red

SL-1301-BAQ/C

SKU: 27693    UPC: 676544000000

ENFORCER LED Strobe Lights provide all the functions of a regular strobe light and much more. Each has an operating life of 50,000 hours—over 160 times that of a regular strobe light. No more bulbs to replace! The BAQ series includes a unique placement of LEDs making the light more visible from various directions, a 9V backup battery option making them ideal for continuous lighting applications, and 8 selectable strobe patterns, adjustable duty cycle, and adjustable strobe speed.

### Features

- Operating life over 50,000 hours (over 5.7 years)
- Same size as the SL-126Q strobe light series and uses same lenses
- Simple 2-wire installation
- High-impact resistant case
- High-impact and heat-resistant lens
- Weatherproof (IP66)
- Reverse polarity protection.
- 5 lens colors available Amber, Blue, Green, Red and Clear
- 5 Vertical LED strips (32 LEDs) increase visibility from various directions
- 8 different flashing options, plus adjustable flashing speed
- Backup battery available for continuous lighting applications
