

Three-Level Coaxial Cable Stripper

15034C

SKU: 42373 UPC: 899740000000

Simple to operate and a pleasure to use, the 15034C Three-Level Coaxial Cable Stripper from Platinum Tools has an adjustable stripping depth, but comes pre-set with the industry standard 1/4" stripping size. Your E Series cable stripper includes a hex wrench for adjusting blade depth and uses drop-in replacement blades. For strength and durability, this tool is made of molded, high-impact plastic.
