

IP-COM

16FE+2GE/1SFP Managed Switch w/ 16-Port PoE

F1218P-16-250WV3.0

SKU: 142814 UPC: 885397000000

Tenda F1218P-16-250WV3.0 16FE+2GE/1SFP Managed Switch w/ 16-Port PoE

Features

- Compliant with IEEE 802.3, IEEE 802.3u, IEEE 802.3ab, IEEE 802.3z, IEEE 802.3x, IEEE 802.1q, IEEE 802.1p, IEEE 802.1d, IEEE 802.1w and IEEE802.3af/at standards.
- 16 * 10/100 Mbps Base-TX RJ45 ports for data transmission and power supply, 2 * 10/100/1000 Mbps Base-T RJ45 ports for data transmission, 1 * 1000 Mbps Base-X SFP slot(Combo)
- 4 K MAC address table and MAC address auto-learning.
- IEEE 802.3x-compliant full-duplex flow control and half-duplex backpressure flow control.
- 7.2 Gbps backplane bandwidth.
- Maximum power consumption of a single port: 30W; Maximum power consumption of the switch: 250W.
- 2.75 Mb cache size for smooth video surveillance.
- Support Web management, 802.1Q VLAN, link aggregation, QoS and MAC address binding.
- Standard rack-mounting design
