Medium Full Motion TV Mount for 26" to 55" Panels

M300

SKU: 62531 UPC: 800153000000

Featuring VESA-complaint TV brackets designed for 26 to 55-inch flat-screen TVs, the M300 Full Motion TV Wall Mount lets you achieve a wide range of viewing angles while taking up minimal wall space. Its articulating extension arm extends up to 19.6" from the wall and supports up to 80 pounds. Tilt, pan, and swivel adjustments can be made to position your TV to accommodate angled seating or to mount your TV to a column or in a corner. With its powder-coated finish and integrated cable management, the M300 ensures you achieve a clean, professional-looking television setup.

Features

- Constructed out of solid steel and capable of carrying up to 80 pounds, you can rest assured that your TV is safe and secure with the M300.
- The M300 extends a generous 19.6" from the wall to accommodate a variety of TV viewing positions.
- The low-profile design of the M300 allows you to push your TV back to sit 2" from the wall. (Note: When fully retracted, the center of your TV will sit 5" to the left or right of where it is mounted)
- With the use of a simple tightening mechanism, easily adjust the tilt of your TV 10° forward or 2° backward to suit your viewing needs.
- Built-in cable management tucks your cables out of the way and keeps them neatly and safely organized – out of sight, out of mind.
- The M300 is built with solid steel construction and a durable powder-coated finish. Wall plate covers are also provided to give you a clean, modern look.
