

## Heavy Duty Non Metallic Outdoor

EB0708BL

SKU: 28822    UPC: 1899723160

Arlington's non-metallic enclosure boxes MEET NEMA 3R requirements for outdoor use. They're the perfect solution for protecting and securing power backups, security devices and other valuable equipment indoors or outside. Made of heavy-duty, UV rated non-metallic material, and available in three sizes - our boxes are NEMA 3R rated for outdoor use when mounted with the hinge on top.
