

BLUESOUND

Wireless Streaming Sound System

PULSE SOUNDBAR+

SKU: 110107 UPC: 786357000000

Take your home theater to a new dimension with the PULSE SOUNDBAR+, compatible with Dolby Atmos for fully immersive sound. The PULSE SOUNDBAR+ is designed to seamlessly fit in with your existing TV set-up and enhance Atmos-encoded sound experience with precision that will make you feel like you are right in the center of the action.

Features

- Be immersed in a Dolby Atmos soundscape for an enhanced audio experience
- Stream popular music services, connect and browse personal music libraries, or listen to favorites from any phone or device with aptX™ HD Bluetooth
- Create a wireless home theater with immersive surround sound by connecting the PULSE SUB+ and a pair of rear channel PULSE FLEXs to the PULSE SOUNDBAR+
- Connect the PULSE SOUNDBAR+ with HDMI ARC/eARC for a simple one-cable connection that lets you control the sound easier than ever
- Program the PULSE SOUNDBAR+ to work with any IR remote to control your TV and audio with one device. Also works with the RC1 Remote Control.
- Fine tune the PULSE SOUNDBAR+ for your setup with adjustable EQ settings in the BluOS app
- Works with Amazon Alexa and Siri allowing you to control and play music hands-free with simple voice commands
- Stream music and podcasts from Apple devices with AirPlay 2
