

## 8" BNC Economy Removal Tool

11008

SKU: 42007    UPC: 849160000000

Insert and remove connectors in tight environments with greater ease and speed with the 8" BNC Economy Removal Tool from Platinum Tools. This tool allows for the securing of a connector, whether in a digital video patch bay or high-density DSX cross-connection system. Well-made, your BNC removal tool features a durable resin handle and is fabricated from tool steel using heat treatment for strength.

### Features

- Insert & Remove BNC Connectors
- Useful in Video Patch Bays & DSX Systems
- Durable Resin Handle
- Made of Heat Treated Tool Steel
