Hi-Flex Glow Rod, 15'

50159

SKU: 156115

Klein Glow Fish Rods are the perfect solution for running wires through drop ceilings, attics, floors, walls and crawl spaces. These highly-flexible rods are designed for maximum maneuverability to easily navigate difficult bends and tight spaces. The Splinter Guard™ coating glows bright green to quickly identify the right flex for the job and improves visibility in low-light applications. This 15-Foot rod includes a hook and bullet attachment.

Features

- Hi-Flex Glow Rods provide ultimate flexibility to navigate difficult bends and tight spaces; glows bright green for immediate identification of flexibility and improved visibility in low-light spaces
- Protective Splinter Guard™ coating helps keep hands free of fiberglass splinters
- Durable stainless steel connectors reinforce connection between all Klein fish rods
- Includes bullet nose and hook attachments to affix and grab wires
- Made in the USA
- Includes internal attachment canister to store attachments directly inside fish rod tube; convenient storage location prevents loss or damage to attachments
- (3) 5/32-Inch diameter x 5-Foot glow rods; assembles to full 15-Foot rod, perfect starter set for high flexibility
