

## Compact, Multi-Connector Compression Crimper

VDV211048

SKU: 4382    UPC: 92644580802

This compact Multi-Connector Compression Crimper features an adjustable universal plunger that quickly and accurately crimps multiple types of compression connectors. User-friendly gauge markings indicate correct plunger positions saving you time and eliminating guesswork. An enhanced pivot point provides smooth wobble-free operation. This compact tool also has an integrated handle lock for easy storage.

### Features

- Compression crimper provides fast, reliable multiple-type compression connector installations
