

Relay Module – 12/24VDC Trigger Voltage, One 5A Form C DPDT Relay

SR-2212-C5AQ

SKU: 27772 UPC: 676544000000

Seco-Larm SR-2212-C5AQ Relay Module – 12/24VDC Trigger Voltage, One 5A Form C DPDT Relay.

Features

- 12/24VDC Trigger Voltage, One 5A Form C DPDT Relay
- For any application where relays are required
- Pre-mounted to easy-to-install modules
- Screw terminals allow easy installation without soldering or other time-consuming connections
- Wide-selection of additional relays is available: Choose single or dual relays, low-current or heavy-duty operation, and high-sensitivity or normal-sensitivity
