

## 2-Port Modular Distributor

504195

SKU: 24778    UPC: 766624000000

Intellinet Network Solutions 504195 2-Port Modular Distributor.

### Features

- Allows two RJ45 ports to share one Cat5 shielded network cable
- Allows you to only lay one cable run for two connections
- Used in pairs (one modular distributor on each end of the network cable)
- Requires a coupler (female to female) for connection on each end of the network cable
- Couplers not included
- This product is not a 2-port switch - it cannot be used to connect two network devices to one LAN RJ45 port
