

## 7-in-1 Impact Rated Flip Socket Set w/ Handle

32910

SKU: 151592

The 7-in-1 Impact Flip Socket Set provides 6 Hex nut driver sizes and a 1/4-Inch bit holding feature. The versatility provided allows for convenient swapping between the common nut driving sizes and quickly attaches to the included quick-connect handle. Every component is impact rated, making it an essential tool for the toughest driving applications.

### Features

- Impact Flip Socket Set includes 3 flip sockets, a 1/4-Inch bit holding feature, and a quick-connect handle
- Hex sizes include 1/4-Inch, 5/16-Inch, 3/8-Inch, 7/16-Inch, 1/2-Inch, and 9/16-Inch
- Hex shaft and sockets are impact-rated and designed for heavy-duty applications
- Rare-Earth magnet to retain fasteners for convenient and easy driving
- Color-coded hex sizes for easy size identification
- Flip sockets can be stored in any order or orientation on the shaft
- Cushion-Grip™ handle allows for greater torque and comfort
- Shallow socket depth optimized for hex head fasteners
