

14-Piece Alarm Pro Security Kit

B08HSVCB5M

SKU: 157742 UPC: 840080545301

Alarm Pro combines whole-home protection, a built-in eero Wi-Fi 6 router, and network security in one. Great for larger homes, 14-Piece Security Kit offers protection for 8 windows or doors, motion detection for 2 hallways or rooms, and wifi coverage of up to 1500 sq. ft.¹ Stay in the know when you're away from home with real-time alerts in the Ring App when your sensors are triggered

Features

- Alarm Pro features a built-in eero Wi-Fi 6 router to deliver our strongest protection yet for your whole home and the network your home runs on.
- This Kit includes one Alarm Pro Base Station, two Keypads, eight Contact Sensors, two Motion Detector, and one Range Extender. Easy setup with no tools or professional installation required.
- Blanket your home in fast, secure wifi with built-in eero Wi-Fi 6 router that covers 1,500 sq. ft.
- Arm and disarm your Alarm, and more, with an intuitive, battery-powered Keypad.
- Included sensors detect unexpected motion and chirp when a door or window opens.
- Stay secure during an outage with a 24-hour backup battery.
- Receive notifications in the Ring App when someone triggers the Motion Detector, opens a window or door, or sets off the siren.
- Stay secure during an outage with a 24-hour backup battery and stay connected if your primary internet goes out with 24/7 Backup Internet(2), an exclusive Ring Home Premium subscription feature.
- Get 24/7 emergency police, fire, and medical response when you subscribe to Ring Home Standard or Premium, sold separately, and add Alarm Professional Monitoring(3) to your Plan.
- Additional battery life to stay on and online with Ring Power Packs, *sold separately*.
- Expand wifi coverage with eero 6 Extenders, *sold separately*.
