

1-Port Powerline Network Adapter

DA2301-V1

SKU: 7642 UPC: 804428000000

Easily expand an existing home network to include a powerline network using existing electrical outlets. The One-Port Powerline Adapter plugs into any outlet in the home, delivering a high-speed Internet connection to as many as four devices.

Features

- Expands an existing network to locations without an Ethernet connection
- Offers speeds of up to 500Mbps
- Pairs with DA2304-V1 to easily create a home network using existing electrical wiring in your walls
