

15" Straight-Claw Hammer, 18-Ounce

H80718

SKU: 140728

The straight-claw on this Electrician's Hammer was engineered specifically for removing NM (Romex®) staples. Made of high-strength fiberglass for optimal shock absorption, this professional hammer features an 18-ounce forged steel head with smooth head for reduced marring. The durable handle has a non-slip grip for comfort and a hang hole for tethering ability or hanging storage.

Features
