

64-Channel 4K H.265 NVR with PoE and Smart Analytics

N64NR

SKU: 141649

Introducing the Speco N64NR 4K 64-Channel H.265 NVR, a powerful surveillance solution designed for modern security needs. With a generous 40TB HDD, this sleek black unit simplifies your setup by automatically detecting IP cameras on your local network, eliminating the hassle of manual installation. Enjoy versatile recording options including continuous, motion, analytics, and sensor-triggered modes. Effortlessly navigate your footage with bookmark pins for quick access and experience instant playback directly from the live view. Customize your channel layout, monitor remotely, and enjoy simultaneous HDMI and VGA outputs.
